Potentate

Nobles:

In my first message to you I wish to express my grateful appreciation for the high honor you have conferred upon me in electing me your Illustrious Potentate. I am especially grateful to the organizations for their loyal support. Having spent 26 years in the Patrol, I know the loyalty and splendid cooperation that exists within our Units.

When I joined the Shrine in 1918, during the First World War, nothing could have been further from my mind than that some day I would be privileged to be the head of Medinah Temple which comprises 20,000 of the finest citizens of our community.

It is my earnest desire to give you an honest, businesslike and progressive administration in line with the best traditions established by my Illustrious predecessors.

1955 promises to be a stellar year in the annals of Medinah Temple. Our 13th Annual Circus has been one of the most successful. We are rapidly approaching the 1955 Imperial Council Session, which will be held in Chicago the week of July 11th. This promises to be one of the biggest Conventions in the history of the Shrine. At the present time 85 Temples have signified their desire to attend, and these Temples will require over 14,000 hotel rooms which have already been assigned to them.

There will be three outstanding attractions during the Convention, all to be held in Soldiers Field. The Day Parade on Tuesday, July 12th; on Wednesday night there will be a spectacular extravaganza called "Shrinerama" which will display Shrinedom in all its colorful pageantry together with a galaxy of professional talent ending with a tremendous fireworks display; on Thursday we will hold the Night Parade with the usual electrical effects of many of the Temples.

With the interest and enthusiasm that will naturally be created by the Convention, it should afford a golden opportunity to our membership to encourage their Masonic friends to join the Shrine and help us in our great philanthropy, "The Shriners Hospital for Crippled Children." For your convenience we are enclosing an application which we hope you will have one of your Masonic friends sign.

With the wise counsel and cooperation of the splendid corps of officers that you have elected to support me and with the help of our uniformed units there is no doubt in my mind but that the tasks ahead can and will be successfully accomplished.

In Memoriam

Imperial Sir Frank Curtis Roundy

Frank Roundy passed to his Heavenly reward on Saturday, February 12, 1955, having celebrated his 97th birthday on January 15th. Services were held in the Scottish Rite Cathedral in Chicago on Tuesday, February 15th. Walter C. Guy, Deputy Imperial Potentate, represented the Imperial Potentate, and Past Imperial Potentate Thomas C. Law spoke in behalf of the Past Imperial Potentates.

Past Imperial Potentate Frank C. Roundy had known personally every Imperial Potentate who ever served the A. A. O. N. M. S. of North America. He was Illustrious Potentate of Medinah Temple in 1899 - 1900, and served as Imperial Potentate of North America from May 8, 1907 to July 15, 1908. He was a member of the Shrine since its cradle days. Because he was Dean of the Past Imperial Potentates, it was his honor for many years to install the incoming Imperial Potentates year after year. He formed the first Arab Patrol in Shrinedom which celebrated its Golden Anniversary in 1936. He was an Honorary Past President of the Shrine Directors Association of North America. He was the oldest living 33rd Degree Mason, and the oldest living Past Commander of St. Bernard Commandery. His Masonic honors are legion. Imperial Sir Frank was always noted for his splendid and beautiful oratory. Among the many appropriate things he said in an address as the Imperial Potentate at the Imperial Council Session at St. Paul, Minnesota, in the year 1908, were these lines:

> *"Life lives by hope. Therefore, let our hopes be high; let our hopes be clear; let our hopes be fearless, and then as surely as the sun shines after rain, and as certainly as spring and summer follow winter, so surely will our hopes become realities and our visions become deeds."*

For more than seventy years he was active in the various branches of Masonry. His character and name stand out as a monument in Masonry. He was revered and respected by all men. He lived and believed strongly in the principles and ideals of Masonry and respected the same in his fellow man. He was a living monument dedicated to service to humanity.

Frank Roundy will ever live in our hearts.

Who is the DeMolay Boy ?
He's the fellow between the ages of 14 and 21 who has dedicated himself to God, his Country and to his parents.
He's the fellow who is privileged to give expression to these virtues in DeMolay Service.
He's the fellow who believes in spiritual values, and has the courage to live them every day.
He's the fellow we ask to fight for our country when it is in danger, and the measure of his service is the measure of our security.
He's the fellow who reverences Mother, and who is never happier than when his Dad is his pal.
He's the fellow who seeks to serve others, and aspires to leadership, as pre-requisites to good citizenship.
He's the fellow who likes to work and play with other boys, and work and play make a good DeMolay.
He's the fellow for whom you are working, and he will carry on what you have started.
He's the fellow into whose hands we will deliver the fate of our nation, and perhaps the fate of all humanity.
That's the fellow who is the DeMolay Boy, and he is your Son and my Son.

30th Anniversary of DeMolay in Chicago

FRANK S. LAND CLASS

Initiation June 10th, 1955

The Order of DeMolay will celebrate its 30th Anniversary in Chicago this year and do honor to our Illustrious Imperial Potentate, Frank S. Land who is founder and Secretary General of the Order.

Medinah Temple has set aside the evening of June 10th as "DeMolay Night." The DeMolay Chapters of Chicago will confer the DeMolay degrees on what, without doubt, will be the largest class ever initiated in this area.

DeMolay is making better citizens of the youth of our land and of the world. Its precepts aline themselves with the great principals of free Masonry. Basic among its teachings are — LOVE OF HOME, LOVE OF GOD, LOVE OF COUNTRY.

The great work of DeMolay has been recognized in many countries of the world. DeMolay is an international brotherhood of young men dedicated to the high ideals of better manhood and patriotic Citizenship.

You can help these young men celebrate this Anniversary and also do honor to our Imperial Potentate, Frank S. Land, by having the enclosed petition signed by a deserving young man. Any young man of good moral character, between the ages of fourteen (14) to twenty-one (21) inclusive is eligible. Perhaps a son, a grandson, a nephew, or a son of that good friend of yours would appreciate your solicitation. The initiation fee is $10.00. Each Petitioner will be placed in a Chapter conveniently located as to his residence. Chapter activities include basketball games, soft ball and ritual contests which keep the young men interested. Give a young man an opportunity to remain pleasantly occupied in DeMolay by having him sign the enclosed petition and you will contribute toward the Universal Brotherhood of Man to protect the principals of our great country.

Yours in the Faith,

OSCAR H. DAMMAN
Potentate
